future holds a golden new promise. From the running track in New York's Central Park to the hushed executive suites of a mighty department store empire, from a snowy Massachusetts Christmas to a shattering moment of turth in exotic Hong Kong--the story of Oliver Barrett IV is a story of passion and principle, of a young man's journey out of sadness, into love.

"A love letter to queerness, self-expression, and individuality (also Madonna) that never shies away from the ever-present fear within the queer community of late '80s New York, Like a Love Story made me feel so full—of hope, love, courage, pride, and awe for the many people who fought for love and self-expression in the face of discrimination, cruelty, and death. "A book for warriors, divas, artists, queens, individuals, activists, trend setters, and anyone searching for the courage to be themselves."—Mackenzi Lee, New York Times bestselling author of *The Gentleman's Guide to Vice and Virtue* It's 1989 in New York City, and for three teens, the world is changing. Reza is an Iranian boy who has just moved to the city with his mother to live with his stepfather and stepbrother. He's terrified that someone will guess the truth he can barely acknowledge about himself. Reza knows he's gay, but all he knows of gay life are the media's images of men dying of AIDS. Judy is an aspiring fashion designer who worships her uncle Stephen, a gay man with AIDS who devotes his time to activism as a member of ACT UP. Judy has never imagined finding romance...until she falls for Reza and they start dating. Art is Judy's best friend, their school's only out and proud teen.

He'll never be who his conservative parents want him to be, so he rebels by documenting the AIDS crisis through his photographs. As Reza and Art grow closer, Reza struggles to find a way out of his deception that won't break Judy's heart—and destroy the most meaningful friendship he's ever known. This is a bighearted, sprawling epic about friendship and love and the revolutionary act of living life to the fullest in the face of impossible odds.

Emily Donovan doesn't have a romantic bone in her body. At least, that's what her friends Ryan and Ashley keep telling her. They're convinced her bad luck with men is directly related to her life-long lack of interest in all things romantic. When Emily's latest relationship crashes and burns, she decides to go along with her friends' plans for a romance research project. Sure, the idea that she'll have better luck if she learns about the great romances of literature and film seems a little silly, but Emily figures it can't hurt. In no time at all, Emily finds herself buried under a mountain of romance novels, chick flicks, and sappy love songs, hopeful that her hard work will pay off with true love. When she meets Greg, Ashley and Ryan are convinced she's found prince charming—after all, he's rich, handsome, and totally into Emily. What more could she want? And why does it seem that her friend Elliot isn't exactly happy for her? Faced with misunderstandings, miscommunications, and a seemingly endless string of missteps, she is nevertheless determined to give true love a try. In doing so, Emily will eventually find that true romance, the kind that lasts, has little to do with stereotypes or clichés, and everything to do with

finding out what's in her own heart.

Recounts how the author's marriages to Peter Jennings and the late Richard Holbrooke were shaped by the beauty and allure of Paris, where she found love and healing against a backdrop of historical events.

“Will leave readers swooning.” —PopSugar When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for

Access Free A Love Story

them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

NEW YORK TIMES BESTSELLER "At villa Donnafugata, long ago is never very far away," writes bestselling author Marlena de Blasi of the magnificent if somewhat ruined castle in the mountains of Sicily that she finds, accidentally, one summer while traveling with her husband, Fernando. There de Blasi is befriended by Tosca, the patroness of the villa, an elegant and beautiful woman-of-a-certain-age who recounts her lifelong love story with the last prince of Sicily descended from the French nobles of Anjou. Sicily is a land of contrasts: grandeur and poverty, beauty and sufferance, illusion and candor. In a luminous and tantalizing voice, *That Summer in Sicily* re-creates Tosca's life, from her impoverished childhood to her fairy-tale adoption and initiation into the glittering life of the prince's palace, to the dawning and recognition of mutual love. But when Prince Leo attempts to better the lives of his peasants, his defiance of the local Mafia's grim will to maintain the historical imbalance between the haves and the have-nots costs him dearly. The present-day narrative finds Tosca sharing her considerable inherited wealth with a harmonious society composed of many of the women—now widowed—who once worked the prince's land alongside their husbands. How the Sicilian widows go about their tasks, care for one another, and celebrate the rituals of a humble, well-lived life is the heart of this book. Showcasing the same writerly gifts that made bestsellers of A

Thousand Days in Venice and A Thousand Days in Tuscany, That Summer in Sicily, and de Blasi' s marvelous storytelling, remind us that in order to live a rich life, one must embrace both life's sorrow and its beauty. Here is an epic drama that takes readers from Sicily's remote mountains to chaotic post-war Palermo, from the intricacies of forbidden love to the havoc wreaked by Sicily's eternally bewildering culture.

Inspired by her beloved blog, dinnerlovestory.com, Jenny Rosenstrach's *Dinner: A Love Story* is many wonderful things: a memoir, a love story, a practical how-to guide for strengthening family bonds by making the most of dinnertime, and a compendium of magnificent, palate-pleasing recipes. Fans of "Pioneer Woman" Ree Drummond, Jessica Seinfeld, Amanda Hesser, Real Simple, and former readers of *Cookie* magazine will revel in these delectable dishes, and in the unforgettable story of Jenny's transformation from enthusiastic kitchen novice to family dinnertime doyenne.

Love can be contagious in this infectiously fun romance by debut author Katie Cikatelli-Kuc.

Explores how a personal relationship with money affects financial stability and presents advice on getting out of debt, setting up a savings plan, and devising a realistic budget which reflects personal values and long term goals.
