Study & Master Accounting was developed with the help of practising teachers, and covers all the requirements of the National Curriculum Statement for accounting.

Wahlen/Jones/Pagach's INTERMEDIATE ACCOUNTING, 2E boosts reader confidence in mastering the concepts of intermediate accounting like no other book. Proven resources help readers understand the rigor and time requirements of learning today's intermediate accounting, while learning tools, such as "Got it?" quick checks, help readers stay on track. Readers build confidence with a consistent step-by-step approach to explaining concepts and thorough explanations. All of this is accomplished without sacrificing the approachable writing style that uses examples and cases from familiar companies, such as Starbucks, Coca-Cola, Louis Vuitton, and Nestle. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Study & Master Accounting Grade 10 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: * case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom * margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice * examples with solutions after the introduction of each new concept. The Teacher's File includes: * a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week * moderation templates to assist teachers with assessment * solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: * interactive examples to explain new concepts * links to all solutions to activities and assessments in the Learner's Book

Designed for financial accounting programs that prefer to start with a sole proprietorship approach, this market-leading text provides business students with a strong foundation in accounting procedures and emphasizes the use of financial information in decision making and analysis. The text--intended for use in a single semester or quarter--contains balanced, flexible content supported by an array of integrated print and technology supplements. The 2005e Edition maintains a high standard for accuracy, integrates performance measurement, and emphasizes technology. Real-world examples appear throughout the text to help students link accounting procedures to publicly held companies as well as international, governmental, and not-for-profit organizations.
