## ACER Aptitude Tests: Free Practice Questions & Answers

The first step is to do sample question papers and to figure out what areas your child needs to work on. ACER does produce a range of practice questions here that can be purchased on the ACER website. However, these papers don't provide the detailed solutions and explanations your child needs to know to: Answer the question.

The HAST program is compiled by the Australian Council for Educational Research (ACER). HAST is designed to single out academically gifted children and is used by schools for various purposes. The test identifies students who would benefit from accelerated learning and enhancement programs such as Opportunity Classes. HAST can also be used to help teachers pinpoint students eligible for extension activities within mainstream classes.
