"For the things we have to learn before we can do them, we learn by doing them."

Aristotle once said. If we let ourselves, we shall always be waiting for some distraction or other to end before we can really get down to our work. The only people who achieve much are those who want knowledge so badly that they seek it while the conditions are still unfavourable.

Favourable conditions never come. This book presents a new learning style evident with today's students and addresses accounting
