This updated edition includes two new quick references on verbs, grammar, and sentence structure; two new appendixes on Italian synonyms and popular idiomatic phrases; and updated business and money sections. First two editions have sold extraordinarily well. Italian is the fourth most popular language in the United States.

The story is presented through the eye of an immigrant returning home for a fortnight to a little coastal Italian town from the Americas, with the intent of taking a break from customary life and reorganising his thoughts around lifelong problems with his wife. There old memories emerge and blend with the current life of the town. During his stay, the visitor learns from a group of wise old men that a friend of his youth has died of Aids after conducting a dissipated life. The old men also represent the heart of the little village with their provincial wisdom.

Poetry. Bilingual Editon. Translated from the Italian by Luigi Bonaffini. THE BEDROOM [La camera da letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Lagazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a Bildungsroman and fairytale, an epoch novel, a novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word..." "Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities."—Luigi Ferrara

(1972) and My Name Is Nobody (1973). He also directed the outstanding giallo My Dear Killer (1972). This book examines Valerii's life and career in depth for the first time, with exclusive interviews with the filmmaker, scriptwriters and actors, and critical analysis of his films.
