tips and advice on how to manage and extend the course material. Additional communication activities in each lesson offer even more communicative language practice. The Teacher's Book also contains a placement/end of course multiple choice test and progress tests after every three units. The Business Start-up website offers a downloadable list of Can-do statements for every unit based on competencies from the Common European Framework of Reference for Languages, allowing students the chance to reflect on what they've learnt and evaluate their own progress.

Business Start-up is a two-level course for beginners and false beginners who need English for

# Download Ebook Business Start Up 2 Teacher

their work. It takes low-level students up to the point where they can start preparing for the BEC Preliminary Examination (early B1 level) and provides a solid foundation for further learning. The Student's Books bring reality to even the most basic levels of language learning through the presentation of natural language in authentic contexts, a regular focus on real companies and products, and practice in the communication skills that professionals really need. Audio recordings for the rich listening material are available on separate CDs. The A5 size Workbooks come with a CD-ROM/Audio CD offering self-study grammar and vocabulary activities, as well as listening practice on the move.

The Teacher's Books include full classroom notes, additional communicative practice activities and regular progress tests, plus an end of course/placement test.

Business Start-up is a two-level (CEF level A1/A2) Business English course for adults who need English for their work. This new Business English course takes beginners and false beginners from basic English up to the point where they can start preparing for the BEC Preliminary examination. Business Start-up brings reality to the most basic levels of language learning through the use of authentic material, real companies and credible communication scenarios, ensuring that adult learners remain interested and

# Download Ebook Business Start Up 2 Teacher

motivated. Communication skills are carefully prioritized, allowing learners to start working in English at the earliest opportunity. To complement the professional English syllabus, the final lesson in each unit deals with a 'Time Out' topic, focusing on essential language for travel and socializing, allowing learners to build important general vocabulary. The Business Start-up Workbooks provide self-study practice of the language from the Student's Books. In addition, the Workbooks come with a free CD-ROM/Audio CD containing extra grammar, listening and vocabulary practice. This version is available in German-speaking markets only.

Confident in learning. Confidence
