CHARLES CHAPLIN [1889-1977] was one of the greatest of all filmmakers and comedians. DAVID ROBINSON is the author of CHAPLIN: HIS LIFE AND ART (also published by Penguin)

My Autobiography : Charles Chaplin : 9780141011479

David Collins tallied 13 points and 11 rebounds and Alexis Yetna had 11 points for South Florida (4-2). Chaplin added eight rebounds. Hollowell scored a career-high 21 points for the Terriers (2-2).

Charlie Chaplin (1889–1977) revolutionized the language of cinema and became one of the most loved performers of all time. But he was also a man plagued by loneliness and driven by the search for artistic perfection. His life was an extraordinarily dramatic one, and David Robinson explores the often tragic story of Chaplin's alcoholic father; his mentally disturbed mother; his marriages to very young women; the “white slavery” case against him; and his persecution by anti-Communist forces during the McCarthy era, which ultimately forced Chaplin to leave America. Chaplin—the only biography written with full access to his archives—contains many provocative revelations about his private life, romances, business dealings, and the making of his magical films. The text is studded with unexpected gems, from the multilingual lyrics of his song in *Modern Times* (the first time his voice was heard on the screen) to the step-by-step choreography of his celebrated dance with the balloon globe of the world in *The Great Dictator*. The author tells of the many famous figures who sought Chaplin out, including Picasso, Gandhi, and Krushchev. The book vividly recreates the different worlds in which Chaplin moved: from Victorian to Edwardian London, through the glamorous birth and sad decline of Hollywood's studio system, to the nightmare of McCarthyism, after which America once again came to adore the “Little Tramp.” Illustrated with eighty pages of rare photographs from the family albums, *Chaplin* contains a detailed chronology, filmography, list of theater tours, a summary of the secret FBI file on him, and a Chaplin who's who. This is the definitive and monumental biography of a mesmerizing artist.

David Robinson's definitive and monumental biography of Charlie Chaplin, the greatest icon in the history of cinema, who lived one of the most dramatic rags to riches stories ever told. Chaplin's life was marked by extraordinary contrasts: the child of London slums who became a multimillionaire; the on-screen clown who was a driven perfectionist behind the camera; the adulated star who publicly fell from grace after personal and political scandal. This engrossing and definitive work, written with full access to Chaplin's archives, tells the whole story of a brilliant, complex man. David Robinson is a celebrated film critic and historian who wrote for *The Times* and the *Financial Times* for several decades. His many books include *World Cinema*, *Hollywood in the Twenties* and *Buster Keaton*. 'A marvellous book . . . unlikely ever to be surpassed' *Spectator* 'I cannot imagine how anyone could write a better book on the great complex subject . . . movingly entertaining, awesomely thorough and profoundly respectful' *Sunday Telegraph* 'One of the great cinema books; a labour of love and a splendid achievement' *Variety* 'One of those addictive biographies in which you start by looking in the index for items that interest you . . . and as dawn breaks you're reading the book from cover to cover' *Financial Times*

Long before becoming one of the masterpieces of Charlie Chaplin's artistic maturity, and even before existing as a screenplay, *Limelight* was conceived by its author as a 34,000-word novella. After remaining virtually unknown for more than 60 years after its completion, *Footlights* is now published by Cineteca di Bologna in this volume for the very first time. Chaplin's vivid, idiosyncratic style,

unadulterated by editors, moves freely from the baldly colloquial to moments of rich imagery and Dickensian description. For a setting, he looked back to London and the music halls of his first professional years, an enchanted period in which he had broken out of the deprivations of his childhood to discover, progressively, his unique gifts as entertainer and communicator. But this retrospect also recalled the painful insecurity of an uneducated, uncultured boy launched into the world of success. David Robinson, Chaplin's most eminent biographer, traces the long yet logical evolution of the story, from its unlikely origin in Chaplin's 1916 meeting with Nijinsky. The succeeding commentary recounts the making of the film, and traces the real-life sources of Chaplin's memories: the people and theaters of London's Soho, and the unique ballet tradition of the two great theaters of Leicester Square, the Empire and the Alhambra, commemorated in *Limelight* for the first and only time on film. The book is illustrated with a great wealth of previously unpublished documents and photographs from the Chaplin archives, historic pictures of the theatrical world of Chaplin's youth and images from the author's private collection.

A noted film historian and expert on silent film comedy presents an in-depth, richly illustrated account of the life and career of the immortal Charlie Chaplin, drawing on material from the Chaplin family archives and tracing the life and career of the legendary actor in five hundred photographs that capture Chaplin's seven decades of creative accomplishments.

Charlie Chaplin is well known for his films, but little is known about his private life. This biography tells of his childhood in the London music halls, his stardom in silent film, his work as writer, director and producer, and his often troubled private life.

Chronicles the life and career of the famed comic actor

A brief yet definitive new biography of one of film's greatest legends: perfect for readers who want to know more about the iconic star but who don't want to commit to a lengthy work. He was the very first icon of the silver screen and is one of the most recognizable of Hollywood faces, even a hundred years after his first film. But what of the man behind the moustache? Peter Ackroyd's new biography turns the spotlight on Chaplin's life as well as his work, from his humble theatrical beginnings in music halls to winning an honorary Academy Award. Everything is here, from the glamor of his golden age to the murky scandals of the 1940s and eventual exile to Switzerland. There are charming anecdotes along the way: playing the violin in a New York hotel room to mask the sound of Stan Laurel frying pork chops and long Hollywood lunches with Mary Pickford and Douglas Fairbanks Jr. This masterful brief biography offers fresh revelations about one of the most familiar faces of the last century and brings the Little Tramp vividly to life.
