In my school when the first alertness course was given by the board of education in that field and the principal asked for somebody to volunteer to take ...

~~William Frauenglass — Wikipedia~~

In 1066 William I, from modern-day France, became king, and Norman-French became the language of the courts and official activity. People couldn't understand each other at first, because the lower classes continued to use English while the upper classes spoke French, but gradually French began to influence English.
