“You’re on the road playing a team that was in the World Series last year and there’s nobody there, and it’s just crazy,” Seattle ... right fists as Lyle Lovett sang it virtually.

Return to Lovett, Texas, the setting of Daisy's Back in Town, in this smart and sexy new story from Rachel Gibson, the New York Times bestselling author of Rescue Me and the Seattle Chinooks books. Lily Darlington's been called crazy in her day—and, yeah, driving her car into her ex-husband's living room probably wasn't the smartest move ever made—but the louse deserved it. Now Lily is happily single, and she's turned it all around. She knows she's a good mom, a homeowner, and a businesswoman, all wrapped up in one good-looking package. A package that police officer Tucker Matthews is dying to unwrap. This ex-military man sure doesn't need another woman in his life. His last girlfriend left him with nothing but memories and a cat named Pinky! But living next door to Lily has been driving him nuts. He dreams about her long blonde hair and even longer legs. And maybe it's time to go a little crazy . . . and fall in love.

Daisy Lee Monroe thought she'd brushed the dust of Lovett, Texas, off her high-heeled shoes years ago, but she's come back home only to find that little has changed. Her sister is still crazy, and her mom still has pink plastic flamingos in her front yard. And Jackson Lamott Parrish, the bad boy she'd left behind, is still so sexy it hurts. She'd like nothing better than to avoid this particular man, but she can't. Daisy has something to say to Jackson, and she's not going anywhere until he listens. Jackson learned his lesson about Daisy the hard way, and now the only word he's interested in hearing from Daisy's red lips is good-bye. But she's popping up everywhere, and he doesn't believe in coincidence. It seems the only way to keep her quiet is with his mouth, but kissing Daisy had once been his downfall. Is he strong enough to resist her now? Strong enough to watch her walk out of his life again? Is he strong enough to make her stay?

Rachel Gibson has already won two Romance Writers of America’s RITA® Awards—the most prestigious honor the romance community bestows—for her “edgy, sexy, fast-paced romance” (Jayne Ann Krentz), and Rescue Me is yet another high point in her acclaimed career. The New York Times bestselling author of the popular Seattle Chinooks stories, Gibson kicks off a timely and wonderful new contemporary series about the romantic entanglements of military men back from active duty. Rescue Me is the story of the reluctant Texas homecoming of a former small-town beauty pageant participant and the sexy ex-Navy SEAL who’s on hand to complicate her life. It’s salvation from the bland and ordinary and Rachel Gibson at her best—a perfect escape for dedicated readers of Jennifer Crusie, Nora Roberts, and Susan Elizabeth Phillips.

Fall in love—over and over again—with three much-loved romantic stories from New York Times bestselling author Rachel Gibson, Candis Terry, and Jennifer Bernard Crazy On You by Rachel Gibson Newly single Lily Darlington is starting over after a messy divorce, and the gorgeous police officer next door is hoping for a chance to protect, serve . . . and love. Home Sweet Home by Candis Terry Lt. Aiden Marshall has returned to Sweet, Texas, where the woman he's always loved is waiting to make it a homecoming to remember . . . One Fine Fireman by Jennifer Bernard Fireman Kirk is nicknamed Thor for his Viking good looks—but whenever he's around Maribel he turns to mush. Can a feisty puppy and an even feistier little boy help them find the true love they both so richly deserve? Love is just a heartbeat away in three classic tales as sassy, sexy, and wonderfully unpredictable as the real thing!

New York Times bestselling author Rachel Gibson, returns to fan favorite Truly, Idaho for another tale of what happens when a tough guy meets his match in the most unexpected place . . . Cheerleader’s life goes dreadfully wrong! Give me a B-R-E-A-K! Natalie Cooper had it all—as a high school cheerleader she could shake her pom-poms with the best of them. But she paid for all that popularity—her husband ran off with a 20 year old bimbo named Tiffany. Now she’s running a photo shop (and some of the pictures she sees . . . well, she really shouldn’t!) and just trying to be a good mom. Then she comes toe-to-manly chest of Blake Junger. “Exiled” to a remote cabin in Truly, Idaho, Blake wants nothing to do with anyone. Instead, he’s determined to struggle with his demons and win . . . all on his own. But he doesn’t count on a pint-sized five-year-old visitor . . . or the Natalie Cooper, the kid’s lusciously curved mother . . . to break down his barriers.

Julianna had lost everything—her father to illness, her belongings to bankruptcy, her beloved sweetheart to a voyage to the South Seas. Thrown into marriage by her vile stepbrother, she meets her husband-to-be on their wedding day. Sir Edmund is cold, distant and twenty years her senior! “Is this what my life has come to?” Strangely enough, he suggests that they keep their relationship chaste. He is hard to read and full of mystery, but as Julianna learns more about him, she can’t help but feel drawn to the kindness she discovers. Could her heart, promised to her beloved Crispin, possibly be swayed?

A six-foot-seven-inch Jewish hippie from Philadelphia starts a Western swing band in 1970, when country fans hate hippies and Western swing. It sounds like a joke but—more than forty years, twenty-five albums, and nine Grammy Awards later—Asleep at the Wheel is still drawing crowds around the world. The roster of musicians who've shared a stage with the Wheel is a who's who of American popular music—Van Morrison, Willie Nelson, Dolly Parton, Emmylou Harris, George Strait, Vince Gill, Lyle Lovett, and so many more. And the bandleader who's brought them all together is the hippie that claimed Bob Wills's boots: Ray Benson. In this hugely entertaining memoir, Benson looks back over his life and wild ride with Asleep at the Wheel from the band's beginning in Paw Paw, West Virginia, through its many years as a Texas institution. He vividly recalls spending decades in a touring band, with all the inevitable ups and downs and changes in personnel, and describes the making of classic albums such as Willie and the Wheel and Tribute to the Music of Bob Wills and the Texas Playboys. The ultimate music industry insider, Benson explains better than anyone else how the Wheel got rock hipsters and die-hard country fans to love groovy new-old Western swing. Decades later, they still do.

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

A brand new version of the Rachel Gibson classic, Truly Madly Yours, new and old readers alike! Where there's a will— When pretty hairdresser Delaney Shaw returned home to Truly, Idaho, for the reading of her stepfather's will, she planned on paying her respects and getting out of town. But it seems the will has some unexpected stipulations—like the one that says if Delaney wants her inheritance she needs to stay put and have nothing to do with sexy Nick Allegrezza—for an entire year! Ten years ago, Nick had swept Delaney off her feet and onto his Harley, and that's when she really let down her hair! Back then, he was a love-'em-and-leave-'em man, and Delaney learned the hard way that she was just a fling. But Nick is as irresistible as ever. And when the ladies at Tuesday night Bingo see Nick and Delaney making after-hours whoopee through the window of a local beauty parlor, Delaney knows it's time to decide if Nick is truly, madly the man of her heart.

A collection of Courtney's columns from the Texas Monthly, curing the curious, exorcizing bedevilment, and orienting the disoriented, advising "on such things as: Is it wrong to wear your football team's jersey to church? When out at a dancehall, do you need to stick with the one that brung ya? Is it real Tex-Mex if it's served with a side of black beans? Can one have too many Texas-themed tattoos?"--Amazon.com.
