Debut writer Rachel M Wilson drew upon her own experiences with OCD in DON'T TOUCH to get inside Caddie's head and thought process to give an authentic depiction of the anxiety associated with OCD. Though Caddie had been treated for her mental illness, she hadn't seen her therapist for about a year, which struck me odd as her behaviors spiraled out of control.

When her parents split up, Don't touch becomes Caddie's mantra. Maybe if she keeps from touching another person's skin, Dad will come home. She knows it doesn't make sense, but her games have never been logical. Soon, despite Alabama's humidity, she's covering every inch of her skin and wearing evening gloves to school.
