Expanded hardcover edition of expert's popular guide features 23 classic patterns for Aran sweaters, mittens, moccasins, and other items. Suitable for intermediate to advanced knitters. Includes new color photos, sizing charts, and more.

The author guides the novice and the experienced knitters in short-cuts and construction tricks and offers twenty original designs

Zimmermann was a designer who stressed independent thinking. She outlines the construction and little more, in the hope that you will feel free to experiment and take your knitting in new directions. These garments serve as a jumping off point for you to knit a version in any size, and make it your own.

"A comprehensive guide to Elizabeth Zimmermann's Baby Surprise Jacket, Adult and Child Surprise Jackets, and Circular Stranded Surprise Jacket, plus the brand new: Surprise Dress, learn-to-knit Surprise Scarf, Bolero/Shrug, Snuggle Suit, and many more variations." -- Back cover.

The Opinionated Knitter includes 22 of Elizabeth Zimmermann's original patterns, plus excerpts from her journal (previously unpublished) and notes from Meg Swansen.

The star of HBO ' s Tracey Takes On . . . shares her love of knitting alongside " unexpectedly enticing designs " in a book that will have you in stitches (NPR). Tracey Ullman has been known for almost 20 years as an award-winning comedian, actress, writer, and producer, well-loved for her eccentric and iconoclastic humor. She is also an avid knitter, and she brings the same freewheeling spirit to her most recent production, a book she created with knitwear designer and yarn-shop owner Mel Clark. Although she has been knitting since the age of four, Ullman was, she says " helpless to make anything other than long, holey scarves " until she met Clark, who taught her how to follow a pattern and knit for real. Passionate and funny, serious and spirited, Knit 2 Together features lively lessons for beginners and more than 30 original designs for knitters of all abilities and stripes—from witches britches and house slippers to a saucy apron and a table skirt. Complete with sidebars and vibrant color photographs, the book also relates Ullman ' s personal stories and reflections on her life in knitting. This one-of-a-kind brainchild of two perfectly matched creators—one a master of knitting, the other a master of wit—is sure to delight veteran and novice alike.

Instructions for tams of all sizes, using a variety of standard yarns and an array of patterns; also explains how to create original designs.

Knitting Outside the Box is part creative exercises, part insight into the design process. Bristol guides the reader (and knitter) through the techniques she herself uses as a designer to explore and push the endless possibilities of knitting. For any knitter who has mused on the question "What if?", Bristol encourages an experimental approach, with her generous spirit and enthusiasm imbued in every exercise and explanation. Each stage of the book is complemented with a knitting pattern, which serves as an example of the methods explained in the book. Fifteen garments and accessories are paired with the most gorgeous of yarns. As with every Pom Pom publication, you'll recognise the attention to detail and excellence you know and love, the sumptuous, inspiring photography, and the quality paper. Their first hardback book, this is a tome that you can expect to grace a knitter's shelf as part of the reference cannon for inspiration and technique.
