First Impressions The last thing Vance Banning needed was a charitable neighbour? especially the blond cheerleader type! But he had no idea how persistent Shane Abbott could be when it came to giving a helping hand...or a loving heart. For a while, it looked as though the Civil War would break out all over again, Only this time, it would be a battle of wills: Shane determined to break down his resistance, Vance equally determined to remain invincible to her charming assault. He'd been burned once, and only a fool fell for the same innocent act twice. Blithe Images Hillary Baxter had been only twenty-one when she left rural Kansas to pursue a New York modelling career. When Bret Bardoff, owner and publisher of fashionable Mode Magazine, offered her a prestigious six-month contract, the sky was the limit. There was only one problem. Hillary fell in love with Brett. But he appeared to be interested only in her glamorous image. Could he learn to love the woman whose face had haunted him from the first instant that he had seen her photograph?
