Although everyone experiences unexpected challenges with the arrival of a new baby, the parents of twins face their own unique sets of joys and frustrations. As the parent of three children under the age of six, including three-year-old fraternal twins, Dagmara Scalise knows firsthand just how daunting that all-important first year can be. Now, in *Twin Sense*, she offers real-world advice on dealing with the many issues that arise when caring for newborn twins. Concise and easy to follow, this book shows harried parents everything they need to know, including: baby-proofing • stocking up on what they really need • preparing and involving previous children • breast-feeding two babies at once • making errands possible • getting through the night • bathing the babies • traveling with twins • keeping the peace • responding to probing questions about having twins • and much more! Filled with lively anecdotes and practical advice, this is a true insider's guide that will make raising twins a pleasure.

"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--

In this good-night book that explains how a variety of animals go to sleep, the sun has set and the whole family has gone to bed, except for their dog, Conrad. Curious to find out if anyone else is awake, he wanders far and wide—through fields and forests, across lakes and oceans—only to find all creatures fast asleep. Conrad is wide-awake, although counting a herd of snoring sheep does make him drowsy! Is everyone asleep? Marcellus Hall ' s lush nighttime scenes glow with warmth in this playful bedtime story, which features a variety of land and sea creatures, and is narrated by a funny little goggle-eyed pug who will steal readers ' hearts.
