To dream of a black man: this dream is associated with accepting a situation. The dream can also have an impact on what race you are. To dream of a black man when you are either Asian or white represents your own inner emotions. The details are equally important in that is the dream either positive or negative?

~~Black Man Dream Meaning Dream Dictionary: Interpret Now ...~~
Black in dreams can represent the nigredo, the time when the false ego self undergoes a painful crucifixion and the time when the aspirant may feel much like the crucified Christ whose plaintive cry on the Cross epitomizes the feeling of abandonment one may feel while carrying one's own cross.

To dream of the color black, and equally, to dream of spiders, will both interdependently mean that you are experiencing disapproval or separation. The black color universally signifies emptiness and mourning. While the spider will draw consciousness to your feelings of being ignored or shut out. Spiders are commonly known to form a web, thus implying on a less obvious level how you may be struggling with the "web of people around us."

~~Dreaming of black spiders Dream Dictionary: Interpret Now ...~~
Sometimes a dream about a black cat can be a symbol of your weakness and insecurity in a real life. It can also mean that you are afraid of using your intuition and your psychic abilities. In most of the cases a dream about a black cat has a negative connotation. Dreaming of a black cat crossing your path.
