Intermediate Rigging Questions And Answers

A month ago our Hand-Me-Down Rigging post discussed the need for actual training versus having riggers being taught by their co-workers. As part of that article, we invited readers to take a 5-question rigging quiz. This simple quiz was adapted from Crane Tech ' s Qualified Rigger Level 1 curriculum with questions that we consider every rigger should be able to answer fairly easily.

52% FAILED The Basic Rigging Quiz? - Crane Tech

The answers explain how we arrived at the correct answer and you can use this to help work through any questions you may have gotten incorrect. We have not included all of the charts for this crane - but everything you need to answer the questions is included. You do not need the crane manual or full load chart package to answer the questions.
