Watching the kite ascend higher into the sky, ten-year-old Raghav felt butterflies run deep down his gut, inflating his desire to fly high in a supersonic jet. His kite, entangled with another, crashed onto the ground. The flight took off smoothly from the runway of her heart, only to be hit by turbulence and thunderstorms smashing the plane into an abandoned sea full of gloominess. There he saw a lighthouse, a ray of hope. She became his lifeguard and taught him to swim through the storm. Like a guiding angel, she enlightened him towards the path of self-discovery leading to his journey to the island called 'Bollywood.' Raghav rode on a roller coaster encompassing love, passion, and conflicts. Hopping from one town to another in search of his purpose, he landed in the city of love and lights, Paris, where he saw the horizon, an illusion of his world merging with hers. But just like the two poles on Earth never meet, so was his destiny. On one side, he had Diya whom he could never get, and on the other side was Niharika whom he could never lose, and in the midst of all the chaos, he found his treasure. Come along with him to discover his hidden treasure. Who knows! You might find yours too.

This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.
