Kaylee Ryan can sure write some of the sweetest/cutest stories ever. Levitate was a really good book. I liked the plot of the book. I can't say that I have read a book with a similar plot before. I can say that I felt so so sorry for Kensington. I just could not imagine going through something so horrible.

Kaylee Ryan has done it again. I know there is a reason she is one of my favorite authors and Levitate just reconfirms my feelings. I love books with not a lot of drama and just a fun read, and Kaylee does that well. She can take characters and make them sweet, honest, and someone you would love to be friends with.
