I adore Sarah Addison Allen and was excited to be given a copy of Lost Lake. Allen tells tales with a small-town feel and wraps them in magical realism. I found myself enchanted by her misfit characters and the magical secrets of Lost Lake. Mini review: A tale of second chances, hope and forgiveness.

Seeking solace in a Georgia lakeside cottage with her eccentric 8-year-old daughter, recently widowed Kate wonders if the area's almost-magical ability for sparking romances has been imagined before experiencing a poignant renewal. By the best-selling author of Garden Spells. 125,000 first printing.

Now a New York Times Bestseller From the author of the beloved bestseller Garden Spells comes a beautiful, haunting story of old loves and new, and the power of the connections that bind us forever... The first time Eby Pim saw Lost Lake, it was on a picture postcard. Just an old photo and a few words on a small square of heavy stock, but when she saw it, she knew she was seeing her future. That was half a life ago. Now Lost Lake is about to slip into Eby's past. Her husband George is long passed. Most of her demanding extended family are gone. All that's left is a once-charming collection of lakeside cabins succumbing to the Southern Georgia heat and damp, and an assortment of faithful misfits drawn back to Lost Lake year after year by their own unspoken dreams and desires. It's a lot, but not enough to keep Eby from relinquishing Lost Lake to a developer with cash in hand, and calling this her final summer at the lake. Until one last chance at family knocks on her door. Lost Lake is where Kate Pheris spent her last best summer at the age of twelve, before she learned of loneliness, and heartbreak, and loss. Now she's all too familiar with those things, but she knows about hope too, thanks to her resilient daughter Devin, and her own willingness to start moving forward. Perhaps at Lost Lake her little girl can cling to her own childhood for a little longer... and maybe Kate herself can rediscover something that slipped through her fingers so long ago. One after another, people find their way to Lost Lake, looking for something that they weren't sure they needed in the first place: love, closure, a second chance, peace, a mystery solved, a heart mended. Can they find what they need before it's too late? At once atmospheric and enchanting, *Lost Lake* shows Sarah Addison Allen at her finest, illuminating the secret longings and the everyday magic that wait to be discovered in the unlikeliest of places.

It happens one morning - Kate finally wakes up from the slumber she's been in since her husband's death a year ago. Feeling a fresh sense of desire to take control of her and her young daughter's life, she decides to visit Suley, Georgia - home to Lost Lake. It's where Kate spent one of the happiest summers of her life as a child. She's not sure what she expects to find there, but it's not a rundown place full of ghosts and other curious oddities. Kate's Aunt Eby, Lost Lake's owner, wants to sell the old place and move on. Lost Lake's magic is gone. As Kate discovers that time has a way of standing still at Lost Lake, can she bring the cottages - as well as her heart and the hearts of all the guests - back to life? Because sometimes lost loves aren't really lost. They're just waiting for you to find them again.

From Sarah Addison Allen, the beloved author of Garden Spells, comes Waking Kate, a story about a woman who soon will face an unforeseen change in her life. One sticky summer day as Kate is waiting for her husband to come home from his bicycle shop, she spots her distinguished neighbor returning from his last day of work after eighty-six years at Atlanta's oldest men's clothing store. Over a cup of butter coffee, he tells Kate a story of love and heartbreak that makes her remember her past, question her present, and wonder what the future will bring.

A successful caterer in Basecomb, North Carolina, Claire has always remained tied to the long and magical legacy of the Waverly family, until her peaceful life is transformed by Tyler Hughes, an art teacher and new next-door neighbor, and by the return of her prodigal sister, Sydney, who has arrived with her five-year-old daughter, Bay. A first novel. 75,000 first printing.

Quiet, awkward Josey Cirrini's peaceful life caring for her elderly mother is turned upside down when Della Lee Baker, a sassy, confident, and bold waitress fleeing an abusive boyfriend, decides to hide out in Josey's home.

Moving in with the grandfather she never knew after the death of her mother, 17-year-old Emily witnesses bizarre supernatural activities in her new North Carolina community while befriendng its remarkable residents. By the author of The Sugar Queen. Reprint.

A tale set 10 years after the events in Garden Spells finds Claire's happy contentment shattered by her father's revelations, which challenge everything she ever believed about herself.

Bright lights flicker in the dark evenings of summer. Pinpoints of hope float against the black descent of night. The sweetest of small and innocent creatures finds its way through the shadows. Fireflies seem to dance on sheer air, illuminating the space between heartbeats. Children give off a similar brave glow, despite the challenges of their young lives. The lessons of childhood are often painful, the shedding of fragile wings in the gloam of an uncertain future. These rich novellas are small jewels reflecting the essence of what it means to grow up dancing among the shadows of life, carrying a brave, small beacon because you know that even the brightest days always, always, end in darkness. Childhood can be so sweetly sad and sadly sweet, profound and deceptively easy to categorize, yet poignant to remember. New York Times bestselling novelist Sarah Addison Allen (GARDEN SPELLS, SUGAR QUEEN, THE PEACH KEEPER) anchors THE FIREFLY DANCE with her wistful and funny novella about Louise, a North Carolina girl whose keen observations of the lives around her weaves an unforgettable spell with just a hint of everyday magic. Phyllis Schieber's Sonya, a child of Holocaust survivors, is confronted with the responsibilities of her legacy when she has a poignant encounter with a classmate, another child of survivors, and her mother, in a local shop in their 1970's New York neighborhood. Kathryn Magendie's Petey deals wryly with her family's move from the cool blue mountains of North Carolina to the hot flatlands of Texas. Augusta Trobaugh's stoic Georgia boy leads us through his surreal encounter with a mysterious backwoods toddler who turns out to be anything but ordinary.

Luke and his father, who is disgusted by the tourists surrounding the once secluded lake of his childhood, hike deeper into the wilderness to find a "lost lake" of their own.
