This book is horrible for teaching younger students spelling. I love the hard cover treasurers reading series, but absolutely hate the supplementary books to support spelling, grammar, etc. I have usually found MacMillan to be a more reparable company, but I am very disappointed with the supplemental books to support the hard cover books.

Spectrum Spelling brings curriculum content reading passages to life! The lessons, perfect for students in grade 6, strengthen spelling skills by focusing on diphthongs, regular and irregular plurals, related words, Greek and Latin roots, and more! Each book features full-color artwork, easy-to-understand directions, and a dictionary of spelling words. They are also aligned to national and state standards and include a complete answer key. Today, more than ever, students need to be equipped with the essential skills they need for school achievement and for success on proficiency tests. The Spectrum series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the Spectrum workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.
