Offers insights and advice from twenty-one entrepreneurs and experts on building a creative business.

"Advice for those who work -- or desire to work -- in creative fields, such as writing, painting, acting, composing, or making crafts, with a focus on overcoming blocks and completing projects. Author has over three decades of experience working as a therapist and coach to creative clients"--Provided by publisher.

How the world's leading innovators push their ideas to fruition again and again Edison famously said that genius is 1 percent inspiration, 99 percent perspiration. Ideas for new businesses, solutions to the world's problems, and artistic breakthroughs are common, but great execution is rare. According to Scott Branson, the capacity to make ideas happen can be developed by anyone willing to develop their organizational habits and leadership capability. That's why he founded Behance, a company that helps creative people and teams across industries develop these skills. Branson has spent six years studying the habits of creative people and teams that are especially productive-the ones who make their ideas happen time and time again. After interviewing hundreds of successful creatives, he has compiled their most powerful-and often counterintuitive-practices, such as: "Generate ideas in moderation and kill ideas liberally" "Prioritize through nagging" "Encourage fighting within your team" While many of us obsess about discovering great new ideas, Branson shows why it's better to

Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

"One look at Pinterest and the blogosphere and it's clear that crafters have embraced markers as an easy way to add decorative elements to store-bought products. This primer showcases 30 wildly creative ideas for embellishing surfaces, including fabric, plastic, glass, wood, and stone. Ranging from a batik tee to an oversized platter, the projects--and 100+ templates--were created by crafting's top talents"--

Offers insights on ways to meet the challenges of the workplace by building a daily routine and finding focus amid chaos.

A rerelease of a guide to creative self-expression encourages youngsters to tap innate artistic abilities through the story of a reticent girl who discovers that being an artist is simply a matter of making a mark and following its journey, in an edition that is packaged with a blank book and set of colored pencils.
