What is real and what is imaginary? Do evil creatures lurk in the shadows? Do demons attack the helpless? Are there such things as invisible men? For generations, storytellers have given substance to our worst fears. In Ask the Bones, master storytellers Arielle North Olson and Howard Schwartz retell a varied selection of the world's most frightening folktales. Be warned—these stories could scare you to death! Illustrated by David Linn. "These twenty-two stories provide a wide variety of supernatural happenings that won't disappoint the young horror acolyte." (The Horn Book, starred review)

Have you heard about the man who marries . . . a corpse? Or what about the magic school where one student in every class is never allowed to leave? Many of these tales go back hundreds of years and to the farthest corners of the earth, but as diverse as they are, they also reveal one important truth: everyone loves a scary story. The authors have dug deeply?from Egypt to Iceland?to find the spookiest stories that are perfect to share around a campfire or at a sleepover.

A collection of scary folktales from countries around the world including China, Russia, Spain, and the United States.

The third in a three-book outer space adventure series for young readers from the #1 New York Times bestselling author of Big Little Lies! Nicola and her friends' whirlwind tour of the galaxy isn't about to stop! The Space Brigade's third adventure takes them to a strange pair of planets that couldn't be more different. On one side is a planet covered in volcanoes. On the other side, a beautiful place full of daydreamy poets. Nicola and the Space Brigade find themselves caught in the middle of a war between the two, and must find a way to make peace before it's too late!

By showing that kitchen skill, and not budget, is the key to great food, Good and Cheap will help you eat well—really well—on the strictest of budgets. Created for people who have to watch every dollar—but particularly those living on the U.S. food stamp allotment of \$4.00 a day—Good and Cheap is a cookbook filled with delicious, healthful recipes backed by ideas that will make everyone who uses it a better cook. From Spicy Pulled Pork to Barley Risotto with Peas, and from Chorizo and White Bean Ragù to Vegetable Jambalaya, the more than 100 recipes maximize every ingredient and teach economical cooking methods. There are recipes for breakfasts, soups and salads, lunches, snacks, big batch meals—and even desserts, like crispy, gooey Caramelized Bananas. Plus there are tips on shopping smartly and the minimal equipment needed to cook successfully. And when you buy one, we give one! With every copy of Good and Cheap purchased, the publisher will donate a free copy to a person or family in need. Donated books will be distributed through food charities, nonprofits, and other organizations. You can feel proud that your purchase of this book supports the people who need it most, giving them the tools to make healthy and delicious food. An IACP Cookbook Awards Winner.

The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code. Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

"An exhilarating read that could easily be a blockbuster on the screen." - Kirkus Reviews And she thought facing a firing squad was bad... When archaeologist Mara Garrett traveled to North Korea to retrieve the remains of GIs lost in combat, she never imagined she'd be arrested, convicted of spying, and sentenced to death. Her only hope is Curt Dominick, the powerful, ambitious, and infuriatingly sexy US attorney prosecuting her uncle, a former vice president of the United States. What starts off as a rescue mission quickly morphs into a race across the Pacific. Someone is after Mara, and they'll risk everything to stop her from reaching Washington DC. With betrayal around every corner, Curt and Mara have little reason to trust each other and every reason to deny the sparks between them that blaze hotter than the Hawaiian sun. Still, desire clashes with loyalty when they discover a conspiracy that threatens not only their lives but the national security of the United States. Topics: military thriller, political thriller, political romance, contemporary romance, romantic suspense, thriller, mystery, legal thriller, hot romance, women's romance, action and adventure, mercenaries, alpha hero, strong heroine, scientist heroine, military archaeologist heroine, US Attorney hero, biological warfare, Washington DC, international, North Korea, enemies to lovers, love on the run, Rachel Grant, Evidence Series.
