Introduces young readers to the world of motorcycles, reveals how many types there are, how they work, and the jobs, competitions, and events that feature them.

What is a touring motorcycle? And what is a sports bike? A touring motorcycle is a motorcycle especially designed for long range travel both on roads and off roads. This type of motorcycle has an upright seating position, larger fuel capacity, bigger displacement fairings and windshields to make long travel comfortable. A sports bike does not give much importance to riding comfort and fuel economy. It is designed to give great speed and acceleration. More trivia and fascinating information about motorcycles are featured in this book especially made for young learners. Over 90 motorcycles -touring, sports bike, street bike, dual sport motorcycle, cruisers and other types of motorcycles, from classic motorcycles to the newest ones, different brands, and more are presented in this book. Each motorcycle comes with its beautiful picture and easy to understand fun fact to fuel your child's fascination with motorcycles. It is truly great book for children to enjoy with the family.

Comprehensive volume of practical information on everything from mufflers and automatic oil pumps to batteries and timing valves. Over 370 rare illustrations.

Written and published by P.J. Harding. Another in the 'LOOK BOOK' series - Your child will love this easy reader and brilliant color picture book of motorcycles. Each page has a photographic image of all kinds of motorcycles from all over the world. The simple text is easily understood by young pre-readers and easy to learn for emerging readers.

Alicia Mariah Elfving, founder of TheMotoLady.com and the Women ' s Motorcycle Show, dishes profiles of more than 70 women past and present who ride and wrench as well as anyone, and in the process have proven every bit as indispensable to maintaining and growing a positive motorcycling culture.

Have you ever been asked by your child to draw something simple like a dog or a bird but you have been unable to? Your child looks to you for guidance and support in all aspects of life. Your lack of artistic ability is not something you thought of as a hindrance, but now that you have children, this simple skill can make the world of difference in creating moments of deep bonding. When you are able to teach your child how to draw an animal or a house with accuracy and see that look of awe and admiration in their eyes, you will know that you made the right choice buying this book. This guide will start you on a magical trip with your little one that begins with a single mark on the page and ends with a rich and creative world that the two of you have drawn together.

A fascinating and complex piece of machinery, the modern motorcycle is easily as complex as the modern car. Clear, jargon-free text, and detailed cutaway illustrations show exactly how the modern bike works. From the basics of the internal combustion engine, to the wide variety of modern transmissions and ancillary systems.

Few activities offer more fun and excitement than motorcycling, but to get the most out of it, there ' s a lot you need to know. From buying and maintaining a bike, to riding safely, to finding great places to ride, Motorcycling For Dummies puts you on the road with savvy and style, whether you ' re male or female, new to riding or an experienced vet.
