On Revolution - Wikipedia

Hannah Arendt's penetrating observations on the modern world, based on a profound knowledge of the past, have been fundamental to our understanding of our political landscape. *On Revolution* is her classic exploration of a phenomenon that has reshaped the globe. From the eighteenth-century rebellions in America and France to the explosive changes of the twentieth century, Arendt traces the changing face of revolution and its relationship to war while underscoring the crucial role such ...

On Revolution (Penguin Classics): Arendt, Hannah, Schell ...

Hannah Arendt was a much more perceptive critic of the French Revolution than Burke, although she had the virtue of hindsight. In *On Revolution* (1963), Arendt made the provocative claim that the American Revolution was actually more ambitious than the French Revolution, although it failed to set the world ablaze.

On Revolution by Hannah Arendt - Goodreads

Born in Hanover, Germany, Hannah Arendt received her doctorate from Heidelberg University in 1928. A victim of naziism, she fled Germany in 1933 for France, where she helped with the resettlement...

Click here fore more chapter summaries from On Revolution. Arendt begins by stating that wars and revolutions have determined the face of the twentieth century, and, as opposed to the ideologies defining the twentieth century, war and revolution constitute the 20 th century's "two central political issues." She states that the two have "outlived all their ideological justifications", and that the only cause left is that of "freedom versus tyranny."

Summary: Hannah Arendt's On Revolution, Introduction ...

In her essay On Revolution (') Hannah Arendt has tried to settle accounts with both the liberal-democratic and the Marxist traditions, that is, with those two dominant traditions of modern political thought which, in one way or the other, can be traced back to the European Enlightenment. Arendt's basic thesis is that both liberal
