*Origami: The art of paper folding: Harbin, Robert ...*  
The name origami is a Japanese term from the words oru (to fold) and kami (paper). In China, the art of folding paper is referred to by the Chinese name zhezhi. Paper folding was first used in China for ceremonial purposes. At funerals, people would burn folded paper representations of the golden nuggets used as currency until the 20th century.

*The Origins of Origami and Paper Folding in China*  
Origami, also called paper folding, art of folding objects out of paper to create both two-dimensional and three-dimensional subjects. The word origami (from Japanese oru ["to fold"] and kami ["paper"]) has become the generic description of this art form, although some European historians feel it places undue weight on the Japanese origins of an art that may well have developed independently around the world.

*Origami | art | Britannica*  
Origami: the Art of Paper Folding In Japanese, the word "ori" means "to fold" and the word "kami" means "paper". So, "origami" means "to fold paper". But there's more to origami than its name.

*Origami Resource Center: Know When to Fold*
