The International Baccalaureate® (IB) was founded in Geneva, Switzerland in 1968 as a non-profit educational foundation that endeavored to develop inquiring, knowledgeable and caring young people who would go on to create a better and more peaceful world through intercultural understanding and respect. What began as a single program for internationally mobile students preparing for college has grown into a series of programs for students up to age 19. Barron `s is pleased to offer a brand new course review and exam preparation guide for the IB Mathematics SL exam. The content of the book is based on the subject guide, published by the International Baccalaureate Organization. It covers all topics required for exams beginning in 2014 and includes: A full-length diagnostic test with markscheme and fully explained answers Study tips and exam strategies Topic review and practice for each strand of the IB Math SL curriculum, including explanations and examples as well as problem sets with fully explained solutions Two full-length practice exams with markschemes and fully explained answers This all-encompassing book can also serve as a supplement to classroom instruction throughout the two-year IB Math SL course, a resource for the Internal Assessment project, and a review resource during first year college math courses.

Written by experienced teachers and school leaders with an in-depth understanding of teaching and assessments for the IB Sports, Exercise and Health Science SL and HL courses. This new TestPrep book in the Revise IB series helps students to familiarise themselves with the SEHS exams set by the International Baccalaureate. It provides information about the format of the papers and the types of exam questions included. Students can practise answering the questions by writing directly into the book, just like they do in the exam. And, as they work through, there are strategies, hints and support for answering the questions PLUS fully worked solutions at the end. From some excellent and unique multiple choice questions for Paper 1 to invaluable advice from the experts on how to tackle Papers 2 and 3, this book provides essential exam practice support for students revising for their Sports, Exercise and Health Science exams. Students will... Understand what to expect from the SEHS exam papers such as question types, how questions are assessed and how marks are assigned, plus information about the assessment objectives See example answers to Paper 1, Paper 2 and Paper 3-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner. Test themselves - with three complete sets of exam-style SEHS practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second set has fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!). Check answers - with fully-worked solutions in the back of the book. Practice exam papers are one of the best ways to make sure students feel confident, reassured and prepared for their exams. With full sets of exam-style papers to work through, Sports, Exercise and Health Science: Revise IB TestPrep Workbook is the perfect resource for students to use as part of their exam revision - whether this is before the mock exams or before the real thing.
