An examination of the ways in which the unconscious mind shapes everyday life traces recent scientific advances to reveal the pivotal role of the subliminal mind in influencing experiences and relationships. By the author of *The Drunkard's Walk*. 100,000 first printing.

From Fernanda Torres, the celebrated Brazilian actress and bestselling author of *The End*, comes a riotous tragicomedy of a famed actor's path from national sex symbol to cult icon to raving madman after a disastrous performance as King Lear. Mario Cardoso's meteoric rise to fame begins in the early sixties, when the promise of sex and revolution permeates the Rio air. But as he conquers the stage, arthouse cinema, and primetime TV, the fever and the decadence of stardom take their toll, and middle-aged Mario finds himself with an ebbing reputation, hairline, and bank account. He needs a royal comeback. Enter King Lear. Mario's turn as Shakespeare's mad monarch goes well until he's overtaken by a fit of laughter that gets more demented with each performance. Forced to cancel the show, he's confronted with his mother's unstaged madness—she's now convinced that Mario is in fact her long-departed husband. Broke and desperate, Mario signs on for an evangelical network production: *Sodoma*. Yet, as low as he's fallen, Mario's final set is one he never imagined. With the wicked humor and fleet-footed pace that made her novel *The End* a runaway bestseller in Brazil, Fernanda Torres's *Glory* and its *Litany of Horrors* is a razor-sharp take on the uneasy marriage of Art and the marketplace, and on the profession of acting in all its horror and glory. Praise for *The End*: “*The End*, a riotous, sex-stuffed novel by Torres, which takes Technicolor pleasure in detailing the deaths of five incorrigible old beach bums of the Bossa Nova generation.... Her five men, whom she kills off in reverse chronology, are ‘united by male allegiance, women, and the beach, in that order’.... With America undergoing a mass reckoning with male sexuality, a novel like this feels both taboo and gleeful, a guilty kind of reprieve.” —Hermione Hoby, *The New Yorker* “The intense but tenuous bonds of male friendship give shape and structure to this energetic, impressive debut from acclaimed Brazilian actress Torres. Set against the vivid backdrop of Copacabana, the episodic novel follows five contentious and devoted friends—Ciro, Silvio, Neto, Alvaro, and Ribeiro—from the hedonistic nights of their youth to the humbling days of old age. Beginning with the violent death of Alvaro, the group's last surviving member, the story meticulously works its way back through the complicated lives of each friend, culminating with the operatic death of Hiro, who retains a spark of youth until his last moments. Torres paints a sharp, intimate portrait of male sexuality and psychology (including the experience of aging), illuminating the friends' profound differences (such as between the decadent Silvio and the meeker Ribeiro) while never undermining the believability of their connection. As assured as the characterizations of the central characters are the investigations of the men and women who surround them, the wives who abide their exploits and the priests who speak at their funerals. The narration and momentum remain lively and sharp throughout.” —Publishers Weekly, *Starred Review* “Set in Rio de Janeiro, this fine literary debut from one of Brazil's most distinguished actors tells the stories of five men as they approach their inevitable (and in some cases premature) ends. By turns tragic and hilarious, the novel is about friendship, betrayal and excess, and about male fury against the ravages of old age.” —Angel Gurría-Quintana, *Financial Times* “*The End* is the perfect summer release. Torres creates an aging, male Carioca friend group that is a mess of cynicism, nostalgia, frustration, and a seemingly unending appetite for sex. This book is raunchy, sophisticated, and so wonderfully Brazilian. I devoured this book in one sitting. Parabens Fernanda!!!” —Daniela Roger, *Books & Books* (Coral Gables, FL) “The year of 2013 would have been worth it for Fernanda Torres' novel alone. How beautiful it is to see an authentic literary talent emerge so clearly.... In her debut *The End*, she goes beyond just being a good writer. Her tone is so well crafted.” —Caetano Veloso “You think you see *The End* coming—or the ending coming—but Fernanda Torres has other plans for you on this journey. Torres presents five friends—fairly flawed, tragic clowns—and their views on life and those around them as they try to navigate their lives and deaths. This novel is a funny, smart, well conceived, and perfectly executed playful look at mortality.” —Nick Buzanski, *Book Culture* (New York, NY) “Famed actress Fernanda Torres's debut novel, *The End*, is a brutally unflinching look at the lifelong friendships of five aging male friends and the women in their lives.... [Torres has an] agile hand at establishing voice, pacing, and tone. Hers is strong, economical prose.... The machismo of each character is impressively rendered.... *The End* is vivid and irascible as it confronts the reality of aging, regrets, and death.” —Monica Carter, *Foreword Reviews*, *Five-Heart Review* “Torres' writing [has] flair and wit... [an] unforgiving portrait of men at their worst.” —Kirkus

This book guides medicinal chemists in how to implement early ADMET testing in their workflow in order to improve both the speed and efficiency of their efforts. Although many pharmaceutical companies have dedicated groups directly interfacing with drug discovery, the scientific principles and strategies are practiced in a variety of different ways. This book answers the need to regularize the drug discovery interface; it defines and reviews the field of ADME for medicinal chemists. In addition, the scientific principles and the tools utilized by ADME scientists in a discovery setting, as applied to medicinal chemistry and structure modification to improve drug-like properties of drug candidates, are examined.

As a new mom, Jessica Alba wanted to create the safest, healthiest environment for her family. But she was frustrated by the lack of trustworthy information on how to live healthier and cleaner—delivered in a way that a busy mom could act on without going to extremes. In 2012, with serial entrepreneur Brian Lee and environmental advocate Christopher Gavigan, she launched *The Honest Company*, a brand where parents can find reliable information and products that are safe, stylish, and affordable. *The Honest Life* shares the insights and strategies she gathered along the way. *The Honest Life* recounts Alba's personal journey of discovery and reveals her tips for making healthy living fun, real, and stylish, while offering a candid look inside her home and daily life. She shares strategies for maintaining a clean diet (with favorite family-friendly recipes) and embraces nontoxic choices at home and provides eco-friendly decor tips to fit any budget. Alba

also discusses cultivating a daily eco beauty routine, finding one's personal style without resorting to yoga pants, and engaging in fun, hands-on activities with kids. Coteaching and cogenerative dialoguing are ways of learning to teach that truly bridge the gap between theory and praxis, as new teachers learn to teach alongside peers and more experienced teachers. These practices are also means of overcoming teacher isolation and burnout. Through cogenerative dialogue sessions, new and experienced teachers, university supervisors, researchers, and administrators are able to create local theory for the purpose of improving teaching and learning. In this book, contributors from four countries report on how coteaching and cogenerative dialoguing worked in their situation.

The Internet didn't kill TV! It has become its best friend. Americans are watching more television than ever before, and we're engaging online at the same time we're tuning in. Social media has created a new and powerful "backchannel", fueling the renaissance of live broadcasts. Mobile and tablet devices allow us to watch and experience television whenever and wherever we want. And "connected TVs" blend web and television content into a unified big screen experience bringing us back into our living rooms. Social TV examines the changing (and complex) television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities. Social TV topics include: Leveraging the "second screen" to drive synched and deeper brand engagement Using social ratings analytics tools to find and target lean-forward audiences Aligning brand messaging to content as it travels time-shifted across devices Determining the best strategy to approach marketing via connected TVs Employing addressable TV advertising to maximize content relevancy Testing and learning from the most cutting-edge emerging TV innovations The rise of one technology doesn't always mean the end of another. Discover how this convergence has created new marketing opportunities for your brand.
