"Profits of War" is his story. Ari Ben-Menashe spent over ten years in the innermost circles of Israel's clandestine services, for much of this time as a special advisor to Prime Minister Shamir. This book exposes the machinations of Israel, the US, the Eastern bloc and the major Middle East powers in a maze of arms deals which built up a slush fund of hundreds of millions of dollars.

Profits of War is Ben-Menashe's story. He lays before us his life, his loves and most importantly his career as an Israeli agent during the 1980s. His early life as an Iraqi Jew, in Iran, equipped him well for service with Israeli intelligence.

Profits of War | Green Left
A war profiteer is any person or organization that makes unreasonable profits from warfare or by selling weapons and other goods to parties at war. The term typically carries strong negative connotations. General profiteering, making an unreasonable profit, also occurs in peacetime. An example of war profiteers were the "shoddy" millionaires who allegedly sold recycled wool and cardboard shoes to soldiers during the American Civil War. Some have argued that major modern defense conglomerates lik

In other words, while the profits generated by the Cold War were privatized to the advantage of an extremely wealthy elite, its costs were ruthlessly socialized to the great detriment of all other Americans. During the Cold War, the American economy degenerated into a gigantic swindle, into a perverse redistribution of the nation ' s wealth to the advantage of the rich and to the disadvantage not only of the poor and of the working class but also of the middle class, whose members tend to ...

Profits of war (1992 edition) | Open Library
A Country does not profit from war but a handful of individuals and they do so by providing things that are needed to wage war. Down through history these people have often provided the funds and/or war goods to wage war to countries. A good example is Shell Oil. During WW2 Shell Oil sold products in both America and Nazi Germany.
