Wow! Reaper's Property exceeded my expectations. It was an excellent well rounded story with a great mix of action, suspense, drama and steamy sex scenes. While the story is told from the H/h POVs, other characters are introduced and developed setting the stage for future stories. I will definitely be listening to more Reaper's MC.

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants—at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live. Author's Note: This book was originally released through a small publisher in 2013.

The sexy continuation of the New York Times bestselling Reapers Motorcycle Club series As Reapers Motorcycle Club president, Reese "Picnic" Hayes has given his entire life to the club. After losing his wife, he knew he'd never love another woman. And with two daughters to raise and a club to manage, that

was just fine with him. These days, Reese keeps his relationships free and easy—he definitely doesn't want to waste his time on a glorified cleaning lady like London Armstrong. Too bad he's completely obsessed with her. London is independent, and she likes it that way. Besides running her own business, London's got her junkie cousin's daughter to look after—a more reckless than average eighteen-year-old. Sure she's attracted to the Reapers' president, but she's not stupid. Reese Hayes is a criminal and a thug. But when her young cousin gets caught up with a ruthless drug cartel, Reese might be the only man who can help her. Now London has to make the hardest decision of her life—how far will she go to save her family?

When he discovers his brother's ex-girlfriend Sophie and his nephew Noah are living in near poverty, tattooed biker Ruger steps in to help them and gets more than he bargained for when Sophie shows him just how much she wants him in her life—and in her bed. Original. 75,000 first printing.

Liam "Hunter" Blake hates the Reapers MC. Born and raised a Devil's Jack, he knows his duty. He'll defend his club from their oldest enemies—the Reapers—using whatever weapons he can find. But why use force when the Reapers' president has a daughter who's alone and vulnerable? Hunter has wanted her from the minute he saw her, and now he has an excuse to take her. Em has lived her entire life in the shadow of the Reapers. Her overprotective father, Picnic, is the club's president. The last time she had a boyfriend, Picnic shot him. Now the men in her life are far more interested in keeping her daddy happy than showing her a good time. Then she meets a handsome stranger—a man who isn't afraid to treat her like a real woman. One who isn't afraid of her father. His name is Liam, and he's The One. Or so she thinks.

New York Times bestselling author Joanna Wylde returns to the "wild and raw"* world of the Reapers MC with the story of Gage and Tinker... The club comes first. I've lived by those words my whole life—assumed I'd die by them, too, and I never had a problem with that. My Reaper brothers took my back and I took theirs and it was enough. Then I met her. Tinker Garrett. She's beautiful, she's loyal, and she works so damned hard it scares me sometimes...She deserves a good man—one better than me. I can't take her yet because the club still needs me. There's another woman, another job, another fight just ahead. Now she'll learn I've been lying to her all along. None of it's real. Not my name, not my job, not even the clothes I wear. She thinks I'm nice. She pretends we're just friends, that I've still got a soul...Mine's been dead for years. Now I'm on fire for this woman, and a man can only burn for so long before he destroys everything around him. I'm coming for you, Tinker. Soon.

From New York Times and USA Today bestselling author Joanna Wylde comes a new story in her Reapers MC series... Rome McGuire knew he was in trouble the first time he saw her. She was sweet and pretty and just about perfect in every way. She was also too young and innocent for the Reapers Motorcycle Club. He did the right thing, and walked away. The second time, he couldn't resist tasting her. Gorgeous and smart, fun and full of wonder, she jumped on his bike and would've followed him anywhere. Still, she deserved a shot at happiness somewhere bigger and better than a town like Hallies Falls. Walking away wasn't so easy that time, but her family needed her and he had a job to do. When she came around a third time, he'd had enough. Randi Whittaker had been given two chances to escape, and now it was time for Rome to take his. This time, the only way Randi would be leaving Hallies Falls was on the back of Rome's bike. **Every 1001 Dark Nights novella is a standalone story. From the New York Times bestselling author of the Reapers Motorcycle Club and Silver Valley series comes an anthology of extras and never-before-released material, including a new short story featuring fan favorites Horse and Marie. Charming Bastard: A Novella I first met Riley Boone when I was four years old. We moved to Callup, Idaho after my dad blew out his back and had to go on disability. Boonie's family lived next to ours. Every afternoon he'd swagger off the school bus after kindergarten like a conquering king. For the first week he ignored me, until I impressed him by climbing nearly thirty feet up in the tree behind his trailer. They had to call the fire department to get me down, but it was worth it to see the respect in his five-year-old eyes. He gave me a worm in honor of my accomplishment. I fell in love. The next day he made me eat the worm and our relationship has been complicated ever since. (Until now, this novella has been exclusively available in the paperback edition of Silver Bastard.) Sticky Sweet: A Short Story Horse and Marie met for the first time in Reaper's Property. Now experience this moment through his eyes. (Originally available on the author's website.) NEW Skunked: A Short Story Marie has some BIG news to share with Horse-news that will change both their lives forever... NEW Sugar and Spice: A Short Story A prequel to Reaper's Fall, this story features Painter and Melanie's first meeting. PLUS: Becca's Huckleberry Pie recipe, Marie's Bread recipe and Emergency Skunk Cleaning recipe.

New York Times bestselling author Joanna Wylde returns to the world of the Reapers Motorcycle Club... Looking back, none of this would've happened if I hadn't dropped my phone in the toilet. I mean, I could've walked away from him if I'd had it with me. Or maybe not. Maybe it was all over the first time he saw me, and he would've found another way. Probably-if there's one thing I've learned, it's that Shade always gets what he wants, and apparently he wanted me. Right from the first. Shade's Lady is a stand-alone story. There is no need to have read any prior Reapers MC stories to enjoy Shade's Lady.
