by Teresa Gabelman Publish: Sep 28, 2016 Series: The Protectors Series Paranormal Romance Book Overview Not only does VC leader, Sloan Murphy, have to keep the peace between the human and vampire race, but he also wrangles VC Warriors in his spare time.

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift, Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match.

Damon DeMasters is a vampire warrior who has taken an oath to not only protect his own kind, but humans as well. Crimson Rush is the new drug and it's their duty to find who is behind the selling of vampire blood and stop it. As a social worker, Nicole Callahan fights for the right of every child placed in her care. There's a war now as vampires have stepped out into the spotlight taking their place in society and the children are at the heart of it all. Damon and his fellow warriors have been ordered by the Vampire Council to train Nicole and her colleagues against the dangers they now face in their new world. Even as sparks fly and tensions mount, Nicole and Damon depend on each other to protect the children of both races.

Steve, the self-proclaimed Invisible Warrior, has not had a typical life. Trained by the VC Warriors, he still has to prove his worth, but with humor and sheer will, he refuses to give up. In one afternoon, his life changes, as do the lives of three others. Steve Richardson has a serious choice to make between two women and someone who holds his heart like no other.

The VC Warriors are an elite group of vampire who protect innocents, whether human or those of their own race. Jared Kincaid, along with other Warriors, are shocked when a fiery red head with a gun and attitude, bring news of young teens being turned into an army of half-breed vampires capable of taking out all VC Warriors. Breaking into the famed VC Warriors compound was definitely not the smartest thing Tessa Pride has ever done, but she will do anything for her brother, Adam. The Warriors held the one person she knew was responsible for her brother being turned into a half-breed and nothing will stop her from getting what she needs to help her brother, not even a Warrior whose eyes could make her melt with one look. Jared and Tessa join forces in a desperate scramble to find who is responsible. With a war between Warriors and half-breeds brewing, suspicions of traitors in their midst put the lives of everyone involved on the line.

Highly trained VC Warrior, Dr. Slade Buchanan's, role between lifesaver and lifetaker has been a constant battle, but nothing prepared him for half-breed VC Warrior trainee, Jill Nichols. Slade realizes his struggles from the past were nothing compared to the difficulty of resisting the woman who could never belong to a man like him. Being the only female VC Warrior recruit, Jill Nichols, has an uphill battle. Falling for the sexy doctor, Slade Buchanan, has not made the battle any easier, especially when he constantly reminds her and others there will never be anything between them. Working harder than any male recruit, obstacles are thrown in her path, and with each challenge, it becomes clear that the two things she wants most may never be.

Guillaume Caoursin, the Vice-chancellor of the Order of the Hospital, wrote the *Obsidionis Rhodiae urbis descriptio* (Description of the Siege of Rhodes) as the official record of the Ottoman siege of the Knights in Rhodes in 1480. The *Descriptio* was the first authorized account of the Order's activities to appear in printed form, and it became one of the best sellers of the 15th century. The publication of the *Descriptio* not only fed Western Europe's hunger for news about an important Christian victory in the ongoing war with the Turks, it also served to shape public perceptions of the Hospitallers. Caoursin wrote in a humanistic style, sacrificing military terminology to appeal to an educated audience; within a few years, however, his Latin text became the basis for vernacular versions, which also circulated widely. Modern historians recognize the contributions that the Ottoman siege of Rhodes in 1480 made in the development of military technology, particularly the science of fortifications. This book is the first complete modern Latin edition with an English translation of the *Descriptio obsidionis Rhodiae*. Two other published eyewitness accounts, Pierre D'Aubusson's *Relatio obsidionis Rhodie* and Jacomo Curte's *De urbis Rhodiae obsidione a. 1480 a Turcis tentata*, also appear in modern Latin edition and English translation. This book also includes John Kay's *Description of the Siege of Rhodes* and an English translation of Ademar Dupuis' *Le siège de Rhodes*. The lengthy introductory chapters by Theresa Vann place the Ottoman siege of Rhodes in 1480 within the context of Mehmed II's expansion in the Eastern Mediterranean after he captured Constantinople in 1453. They then examine the development of an official message, or propaganda, as an essential tool for the Hospitallers to raise money in Europe to defend Rhodes, a process that is traced through the chancery's official communications describing the aftermath of Constantinople and the Ottoman

Billy Frank Jr. was an early participant in the fight for tribal fishing rights during the 1960s. Roughed up, belittled, and handcuffed on the riverbank, he emerged as one of the most influential Northwest Indians in modern history. His efforts helped bring about the 1974 ruling by Federal Judge George H. Boldt affirming Northwest tribal fishing rights and allocating half the harvestable catch to them. Today, he continues to support Indian country and people by working to protect salmon and restore the environment. Where the Salmon Run tells the life story of Billy Frank Jr., from his father's influential tales, through the difficult and contentious days of the Fish Wars, to today. Based on extensive interviews with Billy, his family, close advisors, as well as political allies and former foes, and the holdings of Washington State's cultural institutions, we learn about the man behind the legend, and the people who helped him along the way.

An erotic paranormal romance... Seductive and lethal vampire, Léopold Devereoux, returns to the Big Easy to find a killer. His search leads him to a beautiful and mysterious woman, who awakens desires and emotions that he's long fought to keep buried. After centuries of self-imposed solitude, the billionaire philanthropist struggles to restrain his growing thirst for the intriguing, lovely female who's captured his attention. Laryssa Theriot, an antiques proprietor in the Vieux Carré, agrees to help the commanding yet debonair stranger, who seeks her assistance. She withholds her secret abilities, afraid to trust the man who threatens to unleash her darkest fantasies. All the while, Léopold consumes her thoughts, testing her limits and bringing her to new levels of ecstasy. As the menacing force that has stalked Laryssa for years finally catches up to her, she submits, putting her life into the hands of the dominant vampire who offers his protection. Deep in the heart of New Orleans, they embark on a perilous adventure, forced to search for an ancient sacrificial relic that they hope will save their lives. As they face formidable challenges, Léopold and Laryssa surrender to the passionate intimacy that possesses them. After hundreds of years of denying himself love, will Léopold bond to the woman who has begun to crack the impenetrable shell around his heart? As evil draws near, will Laryssa survive the demon that has come to take her soul? Warning: This book contains several erotic love scenes and is intended for adult readers only.
