"Something for the Weekend" was the first hit for The Divine Comedy, reaching #14 in the UK singles chart. The title refers to an euphemistic reference to condoms, from the days

~~The Divine Comedy—Something for the Weekend Lyrics—...~~

What's the origin of the phrase 'Something for the weekend sir?'. This expression is supposed to be a euphemistic code used by British barbers, to avoid asking directly if a man wanted to buy condoms. The expression was widely used in the UK in the second half of the 20th century, although how often it was actually used by barbers, or if it did actually originate in barber's shops, is unknown ...

After spending ten years in the army, James Wharton enters civilian life and settles in the idyllic English countryside with his husband and two dogs, in what seems to be a perfect fairy-tale ending. But only a year later, separated from his husband, James finds himself trying to carve out a new life in London, frequenting the capital's gay clubbing scene in a search for potential friends and lovers. He is quick to discover the phenomenon known as 'chemsex' - a weekend world of drugs, partying and sex. Immediately hooked, James begins to spend hours, often days, with groups of total strangers, locked in drug-induced states of heightened sexual desire. Something for the Weekend compassionately explores the growing popularity of chemsex and considers the motivating factors that have lured people into this underworld. James interviews a variety of characters, from drug dealers and sexual health experts to other gay men who, like himself, became addicted to this often volatile culture, and reveals how chemsex has cemented its status as more than just a short-term craze, becoming a permanent feature in modern gay life.

This book records the buying, restoring, maintenance and running of 20 interesting, unusual, rare or eccentric cars that the author has owned in the last 25 years. Each car has a been a love affair in its own right and in consequence, like true love, they have not always run smoothly...

A collection of Terry Wogan's best TELEGRAPH columns, with his trademark wry take on life. 'It's my feeling that whatever's bothering you, you ought to be able to say it in less than 500 words. The rest is window-dressing ... Probably explains why I didn't write WAR AND PEACE...' Sir Terry Wogan has been busy over the past 10 years writing his ever-popular SUNDAY TELEGRAPH column. In this first collection of the very best of his weekly musings, Terry delivers his distinctively dry and amusing views on life. From the disappointment of the declining years, the ubiquity of TV cooks ('Nowadays, you can't throw a stone in a country road without hitting a television chef, in full colour'), to vanity and those little daily annoyances that drive you to drink, he never fails to entertain. Terry's modern grumbles, gentle social commentary and witty observations make for a delightful assortment of reading. Charming and wry, with not a hint of lickspittle, this is WOGAN'S WORLD at its most entertaining.

Every book tells a story And the 70 titles in the Pocket Penguins series are emblematic of the renowned breadth of quality that formed part of the original Penguin vision in 1935, and that continues to define our publishing today. Together, they tell one version of the unique story of Penguin. unknown when he became a Penguin author in 1999. Six TV series and worldwide sales of more than eight million copies of his five books later, he is one of the UK's favourite chefs and an international celebrity who has changed the face of the cookbook. In Something for the Weekend, Jamie pulls together a selection of crowd-pleasers to liven up anybody's Sunday dinner, whether you're partial to traditional fare or you're looking for something a bit more adventurous.

Dublin private-eye Leo Street feigns culinary prowess as she investigates marital infidelity in the countryside. Something for the Weekend is the first comic crime caper of the charming Leo Street series by Pauline McLynn. The perfect read for fans of Janet Evanovich and Joanna Cannon. 'Scandal, infidelity, secrets and soufflé are all explored with a healthy dollop of humour' - Express When private investigator Leo Street is sent to County Kildare to spy on the wife of a loathsome client, she's delighted to be getting away from rainy Dublin and her hopeless, permanently resting actor boyfriend Barry. The one catch is she has to masquerade as a member of a cookery course and the only piece of culinary equipment Leo can handle is a tin opener - Weekend Entertaining Part 1 is daunting to say the least. As she strips away layers of marital infidelity - not to mention several other scandalous secrets - she battles with bread-making and brûlée. But where will it all end - in triumph or tragedy? What readers are saying about Something for the Weekend: 'A well written, engaging plot makes this a page turner' 'Pauline McLynn has created a realistic character that jumps off the page and hits you between the eyes' 'Guaranteed to make you laugh... and then cry'

Entertaining at home used to be cause for anxiety, but under Ruth Watson's expert guidance, planning weekend dinner parties and family get-togethers can be fun and notably stress-free. Each designed for eight people, this is a collection of recipes for starters, main courses, desserts and side orders.

When Danny Bowers reluctantly joins an English Civil War re-enactment society to impress the girl he has chased since childhood, he soon finds himself involved in the low-level intrigues of an irascible colonel locked in a personal feud with the Army of Parliament, a philandering Lord General, and the more sinister machinations of an unscrupulous historian with his own axe to grind.
