translations into a dozen languages, this book, hailed by the British Medical Journal as a "medical classic", has been a favourite of generations of medical students and nurses.

The ECG Made Easy - 8th Edition

The ECG Made Easy should help students to prepare for examinations, but for the development of clinical competence - and confidence - there is no substitute for reporting on large numbers of clinical records. Two companion texts may help those who have mastered The ECG Made Easy and want to progress further. The ECG in
