Lenny McLean was the deadliest bare-knuckle fighter Britain has ever seen. He had powerful friends, but he also had terrible enemies. So much so that he had two bullet wounds in his back--each from a different attack. He has also stabbed repeatedly--always from behind. But Lenny was also a warm, huge-hearted grizzly bear of a man, whose main weakness was an overwhelming desire to put the welfare of his mates ahead of his own well-being. In this extraordinary autobiography he tells how the Mafia flew him to New York to take on their greatest bare-knuckle boxer in a multi-million pound illicit challenge bout. The Mafia's man lasted less than three minutes. When the IRA fronted up a London gang in a money-laundering scam, Lenny was brought in to intimidate the terrorists. The IRA, not surprisingly, backed off. After deciding to retire from the violent life, Len turned his hand to acting, debuting in the hit series The Knock, following with parts in The Fifth Element and, famously, Lock Stock and Two Smoking Barrels. This is a tale of one man's triumph against almost insurmountable odds, in a battle that Len fought everyday for himself, and to put food on the table for his wife and kids.

"The Guv'nor" was a classic book that started an entire genre. It was the original and incredible true story of the world's greatest hard man, Lenny McLean. Ever since it was published, fans of Lenny have been clamouring to know more and more about this legendary figure. Now, at last, Lenny's co-author Peter Gerrard has gathered together the stories that Lenny told about his life that did not make it into the original book...Lenny McLean's life story is an inspirational one. A bare-knuckle fighter by profession, he was one of the most notorious figures ever to emerge from the East End of London. Whoever you were, if you did right by the Guv'nor, you'd have a friend for life; if you crossed him, it would be at your peril. His untimely death in 1998, following a battle against cancer, was a tragic loss for family and friends and left his legions of fans shocked and bereft.Now those fans have a unique opportunity to learn more about their hero. So packed with adventures, bouts, rucks and amazing stories was Lenny's life that it would have been impossible to fit his whole life into one book.Thanks to the conversations between Lenny and his 'book man' Peter Gerrard, the parts of his life that were not revealed before are now within these pages to be enjoyed and treasured by generations of his admirers.

Don't cross The Neck. As the right-hand man to 'The Guv'nor' himself, Lenny McLean, John 'The Neck' Houchin is a living legend and is now telling his story for the first time. John trained daily with Lenny in the gym to achieve his huge bulk and neck, all 23 inches of it, required to frighten the hell out of troublemakers. As the enforcers for the Krays and the Richardsons, they worked together regularly over many years 'sorting out' whatever needed sorting. These are the mean streets of London back when swift justice as well as fearless loyalty were the order of the day. A new insider take from one of the most notorious characters of the time, this book is full of chippy dialogue, gangster banter, the biggest brawls, old school honour codes and pithy reflection on the changing times – from the hard men to the high life.

UNLICENSED WHO'S THE GUV'NOR The True story behind the phenomenon of Unlicensed Boxing The Men - The Fights - The History... True and astonishing accounts of how London's gangsters took control of the UK boxing scene and created a billion-dollar worldwide industry. TEN REASONS TO BUY THE BOOK. 1. All the Guv'nor fights explained. 2. The truth about the 'fixed gloves' in the 1st Roy Shaw vs Lenny McLean fight. 3. How unlicensed boxing began. (The Mafia connection for the Ron Stander fight) 4. The Guv'nor title explained. 5. The men who almost fought for the title, John Bindon, Dave Courtney, Billy Isaac, Mark Potter, Paul Sykes. 6. Norman Buckland and the truth about Roy Shaw handing down the belt, plus Buckland's fights for the title. 7. Welsh Phill Davies vs Decca Heggie, why the fight never happened. 8. Why Mike Tyson's former opponent decided to have an easy night. 9. The men outside of boxing, my experiences with Roy Shaw, Lenny McLean, Alex Steene, Joe Pyle 10. My views on who was the best and worst Guvnor. GET READY FOR WORLD WAR 3 THE DISTINGUISHED title of the meanest, roughest, toughest, hardest, most brutal - not to say dirtiest - fighter in Britain will be awarded to one of two gentlemen tonight. The runner up will very likely be on his way to the infirmary, an oxygen tent, the crematorium, or at least the title role in sleeping beauty. Colin Dunne - The Sun newspaper (Sept. 11th, 1978) write-up by the Sun newspaper's boxing columnist on the day of the third epic battle between Roy Shaw and Lenny McLean. UNLICENSED - Who's the Guv'nor Setting the record straight on five decades of the most notorious title in boxing. From its humble beginnings in London's underworld to the associations of the world's leading boxing promoters. The dark and dangerous world of illicit boxing has created legends and myths, bestselling books, documentaries and Hollywood movies... Now! Hear about it from the men behind the scenes... ROY SHAW & LENNY MCLEAN had three epic battles that set London alight. They fought to be The GUVNOR. To hold the most Notorious position in the fighting world. - The most dangerous man on the planet... Three fights that have gone down in history and created legends and cemented the Guv'nor title as royalty! This book is about that title, it's how it began, and the fighting breed who lost blood fighting for it. UNLICENSED - Who's the Guv'nor As boxing promoters go, Joey Pyle is the best, he is a silver-tongued, charismatic, dangerous f\*\*ker. He has the ability to hold everyone at arm's length, and you're only in Joey's company if invited. He's a good friend but a bad enemy. WARNING! This book can seriously alter your views on the boxing world! Copyright © 2020 Joseph Arnie Pyle Gary Dennis ★★★★★ Can't put the book down mate, absolute classic best book in a lotta years Rob B ★★★★★ Fantastic Read - No other book can compare on the Unlicensed Game Reviewed in the United Kingdom on 20 September 2020 Loved this book, a lot of nostalgia, stories from the heart of the scene. Especially liked the write-up on Alex Steene. Jacko the Monkey ★★★★★ Very Interesting book Verified Purchase if you are interested in the unlicensed boxing scene and the famous names involved this is the book for you Ivor Batey ★★★★★ The truth at last about the Guv'nor. Reviewed in the United Kingdom on 11 September 2020 At last a book that tells the truth behind Unlicensed Boxing. Written by the man who knows better than anyone about the truth. So well written and I couldn't put it down. This is a book I guarantee you won't regret buying. J.A.Dunsmore ★★★★★ Great Read! Rev

Lenny 'The Guv'nor' McLean has become a legend. A bare-knuckle fighter turned actor, he is a street hero whose legions of fans, since his death, have catapulted him to superstar status. His autobiography, The Guv'nor, has sold hundreds of thousands of copies in hardback, was in the top-ten for well over a year, and was the number one bestselling autobiography of 1998. Amazingly, it looks set to repeat this accolade for 1999. The Guv'nor: A Tribute is a beautifully-produced picture book celebrating the life and achievements of everybody's favourite hard man. Packed with rare, never-before-seen photographs, it is compiled by Lenny's old friend and co-writer, tracing the course of his life from his early days in the East End, through his unparalleled fighting career with the likes of Roy 'Pretty Boy' Shaw. It focuses on his wife and children, whom he loved more than life itself, and for whom he would stop at nothing to ensure their well-being. In the wake of the phenomenal success of The Guv'nor, The Guv'nor: A Tribute promises to be the biggest-selling title of the new millennium.

Lenny McLean, better known as The Guv'nor, was a legendary and sometimes terrifying figure: a bare-knuckle fighter, bouncer and, in later life, an actor. He was a formidable force in the East End and across London, but behind his towering demeanor was a loving father who provided a safe haven for his children. For his only daughter, Kelly, his status brought with it a reputation both to live up to, and sometimes escape. Kelly experienced the old East End way of life, often lived just outside the law, first-hand and equally the uncertainty that came with her father's mood swings and the "black dog" that followed him around, despite their close bond. The connection between father and daughter became even more apparent as Kelly began to battle her own mental health issues that, as a mom to two young children, would threaten to destroy her life. In this incredibly frank and poignant memoir, Kelly McLean provides a unique insight into life growing up as the daughter of one of the last old-school fighters, featuring many previously untold stories. This is the story of East End life from a woman who has seen it, lived it, and sometimes been plagued by it.

When his autobiography *The Guv'nor* was published, it turned bareknuckle champion Lenny McLean into an unlikely cult hero. His widow here takes up the pen on his behalf, to reveal more colourful incidents - Lenny's winning match against the Mafia's best boxer, and his acting career.

1895 London is scared. A killer haunts the city's streets; the poor are hungry; crime bosses are taking control; the police force is stretched to the breaking point. The rich turn to Sherlock Holmes, but the celebrated private detective rarely visits the densely populated streets of South London, where the crimes are sleazier and the people are poorer. In the dark corner of Southwark, victims turn to a man who despises Holmes, his wealthy clientele and his showy forensic approach to crime: Arrowood—self-taught psychologist, occasional drunkard and private investigator. When a man mysteriously disappears and Arrowood's best lead is viciously stabbed before his eyes, he and his sidekick Barnett face their toughest quest yet: to capture the head of the most notorious gang in London... In the bestselling tradition of Anthony Horowitz and Andrew Taylor, this gloriously dark crime debut will haunt readers long after the final page has been turned.
