Over one million copies sold! A baseball fan learns the true meaning of success in this beloved classic that will capture the imaginations of a new generation of young readers. Sylvester loves baseball, but he isn't exactly what you'd call a good hitter. Even though he wants nothing more than to join his neighborhood team, the Hooper Redbirds, he's sure he'll never do anything more than warm the bench. But then he meets the mysterious Mr. Baruth who promises to make Sylvester one of the best players ever. Suddenly, Sylvester goes from the worst player on the team to the kid who can only hit homers. With his overnight success, however, come tough questions. Will Sylvester ever learn the true meaning of teamwork? And what will happen when he has to learn to stand on his own? This beloved story about baseball, confidence, perseverance, and being a good teammate is a modern classic and sure to win over a new generation of young sports fans.

A boy becomes a phenomenal baseball player one summer when a mysterious stranger resembling Babe Ruth befriends him

Sylvester Coddmyer III is having a dismal baseball season until he takes advice from a mysterious ex-ballplayer named Cheeko and starts to play more aggressively.

The Des Moines Majestyks are deep in the cellar...so deep that it seems nothing short of divine intervention could even get them up to the ground floor. They do have one star, Juan-Tanamera "Bueno" Aires, an ex-basketball phenom who performs miracles at the plate and magic in the field. Unfortunately, team owner Holden Canfield, who 's struck it rich with an Internet start-up, spent the entire team budget on acquiring "Bueno," leaving the rest of the roster painfully devoid of talent. Manager Zuke Johansen has just about given up hope when an unexpected thing happens: A scout introduces him to Marvin Kowalski. A straight-A student, valedictorian of his high school class, and on his way to MIT, Marvin knows little about the rules of the game, and his pencil-thin physique would get him laughed off a big-league diamond. But Marvin has one brilliant skill. The ultimate "one-tool" player, he has such a good eye that he can tell what kind of pitch is coming almost before it leaves the pitcher's hand. And even though he's not much of a hitter, his reflexes and coordination are incredibly fast—so fast, in fact, that nobody can strike him out, as Zuke Johansen quickly sees. Marvin may not be Babe Ruth, but he has found a way to exhaust—and utterly enrage—opposing pitchers, driving them to distraction before he takes his inevitable base. Faced with the prospect of leading his team to one of the worst season records since the game was played without gloves, Zuke is desperate enough to wonder if Marvin's strange talent might just lift his Majestyks out of the cellar.... The Kid Who Batted 1.000 is one of those rare sports novels that will appeal to fervent fans as well as those still trying to figure out the infield fly rule. Generously sprinkling his story with some of the best-loved one-liners in the game, Troon McAllister delivers a darkly funny behind-the-scenes look at our national pastime, cementing his place as a major-league humorist.

LOOK WHO'S PLAYING FIRST BASE Will Mike stand up to his teammates to defend his friend? When the Checkmates need a new first baseman, Mike Hagin's new friend, Yuri, seems like a logical choice. But when Yuri starts flubbing plays and the team's star player threatens to quit as a result, Mike is not sure Yuri is such a good choice after all—for a teammate or for a friend. It appears as if Mike will have to choose between his friendship with Yuri and his loyalty to the team—or is there another solution?

A sparkling new series about two best friends on the adventure of a lifetime! Maggie 's been waiting for her best friend Abby to get home from Camp Cantaloupe for SIX. WHOLE. WEEKS. But now that Abby 's finally home, she 's...different. All New Abby wants to do is talk about camp things and plan campy activities—she even has the nerve to call Maggie 's massive, award-worthy pillow fort a “cabin.” But hey, at least she 's willing to build a “cabin” of her own. And when Maggie discovers that a pillow in the back of her fort mysteriously leads right into Abby 's new one, the two friends are suddenly just an arm 's length away. Soon they 're adding links and building more forts, until Maggie looks behind one pillow too many and finds herself face-to-face with...the authorities. Turns out their little pillow fort network isn 't the first to exist. A massive network of linked-up pillow and sofa forts already spans the globe, and the kids who run it are not happy with Maggie and Abby. With just three days to pass their outrageous entrance requirements or lose the links forever, Maggie and Abby pull out all the stops to try to save their network. There 's only a little bit of summer left to burn, and Maggie and Abby are both determined to win back their pillow fort freedom. But can their friendship—and their scrappy homemade network—survive the mission?

Barry McGee, hit-away batter for the Peach Street Mudders, enjoys winning so much that he has a tendency to bend the rules; then the dirty tactics of the pitcher on a rival team give him a new perspective on sports ethics.

Sylvester Coddmyer III, star of "The Kid Who Only Hit Homers" and "Return of the Home Run Kid" is about to face his biggest challenge yet. He sprains his ankle and wonders how he will hit homers--or even singles--when every swing means pain.

Home run slugger Sylvester Coddmyer the Third has an amazing secret. For three seasons, he's been coached by men who look exactly like baseball legends: Babe Ruth, Eddie Cicotte, and Mickey Mantle. Are these men just impersonating famous ballplayers, as his friend Duane insists? Or are they from the "beyond," as Snooky Malone believes? The mystery deepens in this fourth title of the exciting Home Run Kid series when yet another character from baseball's past appears to coach Syl. But is Syl the only one getting pointers? And will Snooky ever get to the bottom of this mystery?

Boys don 't keep diaries—or do they? The launch of an exciting and innovatively illustrated new series narrated by an unforgettable kid every family can relate to It 's a new school year, and Greg Heffley finds himself thrust into middle school, where undersized weaklings share the hallways with kids who are taller, meaner, and already shaving. The hazards of growing up before you 're ready are uniquely revealed through words and drawings as Greg records them in his diary. In book one of this debut series, Greg is happy to have Rowley, his sidekick, along for the ride. But when Rowley 's star starts to rise, Greg tries to use his best friend 's newfound popularity to his own
