In this revised BST volume, John Stott clearly expounds Paul's words, themes, and arguments in Romans and offers applications for today's readers. Deeply acquainted with the text and context of Romans and Pauline scholarship, Stott also explores the epistle's rich harmonies and broad vision, highlighting the power of the gospel.

Paul's Letter to the Romans may well be the most influential book in Christian history. In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator, judge, and redeemer of the world. Valuable "additional notes" on important theological themes and difficult texts -- such as Paul's discussion of same-sex relationships, the salvation of "all Israel," and the woman Junia, who was "well known among the apostles" -- further connect Romans to contemporary issues. Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans, providing a reliable exposition of this foundational epistle.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

The gospel has power: the power to save us, the power to change the world. The truth in Romans will transform your thinking and convict your heart as you discover the power of the gospel for every area of your life and our world. In this newly updated Bible study guide you can explore Scripture under John Stott's guidance.

The 15-volume Swindoll's Living Insights New Testament Commentary series continues with Insights on Romans. This newly revised and expanded edition draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

With its dynamic paraphrase of Romans and the inspiring thoughts and prayers that accompany each passage, A Passion for God translates the truths of this magnificent epistle into personal worship.

If the God of Israel has acted to save his people through Christ, but Israel is not participating in that salvation, how then can this God be considered righteous? Unlocking Romans is directed in large extent toward answering this question in order to illuminate the righteousness of God as revealed in the book of Romans. The answer here, J. R. Daniel Kirk claims, comes mainly in terms of resurrection. Even if only the most obvious references in Romans are considered - and Kirk certainly delves more deeply than that - the theme of resurrection appears not only in every section of the letter but also at climactic moments of Paul's argument. The network of connections among Jesus' resurrection, Israel's Scriptures, and redefining the people of God serves to affirm God's fidelity to Israel. This, in turn, demonstrates Paul's gospel message to be a witness to the revelation of the righteousness of God.
