For years we have believed in development. Indeed,

with all its hopes of a more just and materially

prosperous world, development has fascinated

societies in both North and South. Looking at this

collective fancy in retrospect, Gilbert Rist shows the

underlying similarities of its various theories and

strategies, and their shared inability to transform the

world.

...

This page is a short history of the origins and development of the English language. The history of the English language really started with the arrival of three Germanic tribes who invaded Britain during the 5th century AD. These tribes, the Angles, the Saxons and the Jutes, crossed the North Sea from what today is Denmark and northern Germany.

the field. In order to gain a full understanding of psychology, you need to spend some time exploring its history and origins.

The Origins of Psychology: History Through the Years
its history and potential might form a useful corrective to the overwhelmingly 'administrative' nature of much contemporary social work. As the above quotation from Jordan (1984) indicates, there are different ways of interpreting the growth and development of social work as an organised activity.

A Brief History and Development of Yoga: The practice of Yoga is believed to have started with the very dawn of civilization. The science of yoga has its origin thousands of years ago, long before the first religions or belief systems were born. In the yogic lore, Shiva is seen as the first yogi or Adiyogi, and the first Guru or Adi Guru.

Yoga: Its Origin, History and Development

The origins of Mosaic date to 1992. In November 1992, the NCSA at the University of Illinois (UIUC) established a website. In December 1992, Andreessen and Eric Bina, students attending UIUC and working at the NCSA, began work on Mosaic with funding from the High-Performance Computing and Communications Initiative, a US-federal research and development program. [38]

In 1867, a few years after the establishment of the International Working Men's Association, Karl Marx presented his thoughts on the emergence of capitalism in an essay entitled *The Origins and Development of Capitalism*, as part of his wider discussion on the sociology of capitalism. Marx identified the 16th and 17th centuries as being periods of intense capital accumulation as a direct consequence of the discovery, colonisation and exploitation of the Americas, and the development of ...
