Quick, critical reading is an essential skill needed in the classroom and is critical to succeed on all standardized tests. Be it literature, essays, or articles, this new addition to the Express Review Guides series covers all of these aspects of reading comprehension. It's also filled with tips on how to develop reading strategies, how to read better, understand more, and do it all faster. Includes pre and posttests to show progress and comprehension.

As the number of students learning English in elementary schools across the country continues to grow, so does the body of research on their literacy development. This respected course text and teacher resource synthesizes cutting-edge scholarship on how to teach English learners (ELs) at all levels of English proficiency. Accessible chapters on key components of reading and writing combine theoretical issues with practical suggestions for the classroom. Case studies, vignettes, and samples of student work illustrate both the challenges facing emergent bilingual students and the types of high-quality instruction that can help them succeed. New to This Edition *Incorporates the latest research and key current topics, such as bilingual assessment. *Chapter on vocabulary instruction across the elementary grades. *Chapter on collaborative teaching and how to structure it. *Covers implementation of the Common Core State Standards with ELs.

Build better readers in bilingual classrooms! Bilingual Reading Comprehension is a valuable resource for bilingual, two-way immersion in first-grade classrooms. This book provides bilingual reading practice for students through identical activities featured in English and Spanish,

Learn English with this fun course for complete beginners. Simple exercises and lively audio will have you speaking and reading more than 500 words in no time! PLEASE NOTE - this is a replica of the print book and you will need paper and a pen or pencil to complete the exercises. The perfect introduction to English vocabulary and grammar, English for Everyone Junior: Beginner's Course provides children aged 6-9 with the support they need as they take the first steps towards learning English as a foreign language. Equally effective for home study or the classroom, this carefully leveled English-language course assumes no previous knowledge of English. It takes children through the basics of the language, helping them use and understand elementary English clearly and confidently. Vocabulary is taught through attractive illustrations and reinforced with audio resources. Each language/grammar point is explained in a dedicated panel, accompanied by clear examples of how it's used, and reinforced by exercises. At the back, there is a handwriting guide, grammar overview, and a glossary of language terms used throughout the book. Building on the worldwide success of the English for Everyone series, the Junior Beginner's Course contains everything a child needs to acquire a firm grasp of English in a fun and interactive way.
