Website User Manual - Bridgeman Education

A user guide is only great if it helps your customers

use your product to the best of their ability. And you

can ' t know that until someone uses it. Before your new

creation goes out into the world at large, you want to

test it. Here are a few tips! Best practice: Give it to a

group of real users or beta testers and see how they

do. Incorporate their feedback into the finished

document.
