This ERIC digest presents a summary of discussions from urban educators who addressed the issue of school violence at a National Education Association meeting held May 19, 1994. These educators note that American society is steeped in violence, particularly in urban areas, where children experience frustration, helplessness, and anger, and where they more often express that anger in violent ways.

The Paton Welding Journal. International Scientific-Technical and Production Journal «The Paton Welding Journal» «The Paton Welding Journal» has been published monthly since 2000 in English, ISSN 0957-796X. «The Paton Welding Journal» is a cover-to-cover English translation of the «Аvtomaticeskaya Svarka» (Automatic Welding) journal.

The Paton Welding Journal

CO 2 lasers are increasingly being utilized for quality welding in production. Considering the high equipment cost and high productivity, the start-up time and set-up time for new products should be minimized. Today most parameters involved in laser welding still have to be manually fine-adjusted when initiating welding of a new product.

Focal point position optimization with neural networks in...
