~~Basis | Definition of Basis
by Merriam-Webster~~

In finance, basis is
generally used to refer to

Access PDF What Is The Basis For Distinguishing Among Solutions, Colloids And Suspensions

the expenses or total costs of an investment. It can also be used to refer to the difference between the spot price of an asset and its corresponding...

~~Basis Definition~~

Access PDF What Is The Basis For Distinguishing Among Solutions Colloids And Suspensions

Basis is the total cost of buying an investment or other asset, including the price, commissions, and other charges. If you sell the asset, you subtract your basis, also known as your

Access PDF What Is The Basis For Distinguishing

cost basis, from the selling price to determine your capital gain or capital loss. If you give the asset away, the recipient's basis is the same amount as yours.
